## Corset Workers Tell Central Labor Union Of Their Strike

Women of Kalamazoo Describe Hardships Endured by the Poorly Paid.

(By J. W. Harn, Stereotype Union.)  
A COMMITTEE of women representing the United Corset Workers union of Kalamazoo, Mich., addressed the meeting of the Central Labor Union last night in behalf of the corset workers who are on strike in that city. Miss Eva Hall made a splendid talk, giving a brief description of the hardships endured by the striking women, who struck because they could not exist on the salaries paid them by the corset manufacturers. They displayed a picture showing women strikers in jail, because they did picket duty for the union.

The other women representing the delegation were Miss Ida LaPorte, Mrs. Clara Pearson and Miss Eva LaPorte. Their request for endorsement was granted by the Central body.

W. C. Manning, New President.

Succeeding J. F. Ferguson, whose resignation was accepted, W. C. Manning, of the Harbers' union, was chosen by unanimous vote as president of the Central Labor Union at its semi-monthly meeting Monday night. Mr. Ferguson, a Typographical union member, tendered his resignation at the previous meeting, giving as his reason that he had succeeded in establishing harmony among local unionists and wished to be relieved.

T. D. Butcher, of the Plumbers' union, was elected vice president by unanimous vote. Sam Baynes and J. E. Redman, of the Building Trades council, were nominated to fill the office of second vice president. Baynes was elected by a vote of 14-12 to 10-12 over Redman.

Means More Harmony.

The election of Baynes from the Building Trades council was an indication that harmony is sought by all the local unions.

The auditing committee, T. D. Butcher, J. S. P. Gaffield and E. W. Kessle.

## Grand Old Age and How To Attain It

Every man and then you read vague hints and theories advanced with regard to longer life, but in none of these articles on the means of attaining fine old age with the possession of every faculty, is there a definite rule, remedy, or mode of procedure advanced to guide one. Everyone that has a discretion is imbued with the spirit of Ponce de Leon in searching for the fountain of youth. It is well to consider the fact that Duffy's Pure Malt Whiskey actually delays the effects of old age and brings back the vivacity and veracity of youth. Thousands of people who have reached a grand old age, who still show a wonderful ability, unimpaired vigor and undiminished health, and who are able to enjoy the pleasures of life as brightly as the young, are indebted to Duffy's Pure Malt Whiskey. It is responsible for their possession of health and vigor. The long years which have elapsed beyond all previous records of civilization, the physical perfection of human beings has advanced immeasurably. The prevalence of invalids has decreased with a slump, and many years of unnecessary suffering have been eliminated by the judicious use of Duffy's Pure Malt Whiskey. Go to your druggist, grocer or dealer and buy a bottle and you will derive lasting benefit. It is sold in sealed bottles only. Price \$1.00.—Advertisement.

Buenos Aires, Argentina, Nov. 11.—This university here has conferred the honorary degree of doctor of laws on Col. Theodore Roosevelt. Col. Roosevelt, in his reply, recognized that Argentina did not need the protection of the Monroe doctrine. "We should have regard for Europe," said the ex-president, "but above all, we should be citizens of our own country. I will always denounce revolutions in countries where the people are unable to govern themselves."

Col. Roosevelt delivered an address before the Museo here, talking for his subject "Truth and Half truths." His speech was a continuation of the racial and his political creed, a portion of which he outlined on November 7, when he told of the work he and his followers had set themselves to accomplish in the United States.
